Makepeace

We are sorry to hear that Miss Lois Bulger has had the misfortune of spraining her ankle, and she had to remain at home for the past week. Everyone is wishing you a speedy recovery Lois, and hope you will soon be back at school.

Mr. Verle Campbell spent a "well" week-end at Lethbridge. A play was a poor excuse Verle, we all know it was a very good one and you were used to live in Makepeace.

Mr. and Mrs. Erwin Sealey spent a very enjoyable week-end in Calgary. Not only did Robbie and Duane get excited at the sight of Santa Claus, but Mr. Sealey also asked Santa to bring him a choo-choo.

Mr. Gordon Jones rode to Gen this afternoon. Would it be possible that a play is your excuse too, Gordon? Residents of Makepeace and the district spent a very enjoyable evening Wednesday last, at the home of Mr. and Mrs. Herman Jorgensen. A very delicious supper was served by P. H. Kabanuk, who was assisted by Miss Grace Young of Cluny, and Miss Alvin Moss. After supper an interesting talk was given by Mr. Kabanuk, who as main topic was "Everest Altimeter." Later several tables of bridge were played, and the "big scores went to Mrs. J. Macbeth and Mr. J. Bulgar.

Mr. and Mrs. Campbell, Mrs. J. Hefflebower, and Mr. Hare were motored to Queenstown to spend Sunday with Mr. and Mrs. McLaughlin. Mr. and Mrs. Joe Macbeth and Joe

Mr. A. L. Clemmons of Queenstown was returned to office by acclamation.

The delegates meeting for Sub-Division 3 was held at Gunny Rang school on November 23rd. Delegates were present from the following schools included in this Sub-Division: Jodene, D'Arcy, Yule, Plogstewart, South Valley, Gunny Rang, Chaboussier and Adams Lake. The districts of Meadow Grass and Shallow Waters were not represented. Mr. Philip Rogers, chairman of the Divisional Board was returned to office by acclamation.

At each of these meetings, reports were given by the Superintendent and the Secretary of the Division covering the educational and financial operation of the Division.

DELEGATES MEETING OF E.L.D. SCHOOL DIVISION NO. 14.

A meeting of delegates for the following districts included in Sub-Division 3 of the E. L. D. School Division No. 14, 44th division, Princess, Tilly, Hargrave, Bethany and Robshaw, was held at Tilly school on December 2nd, to receive nominations for trustees of the Sub-Division. Mr. R. T. Simpson was returned to office by acclamation.

The Superintendent and the Secretary of the Division reported on the educational and financial operation of the Division to date.

STORES DECORATE

Local stores have added their touch to the festive season this week by preparing for the Christmas rush. Stock shelves have been piled up to capacity with goods of all descriptions, and extra counters and tables have been erected to cope with the situation. Regardless of the "no snow" situation, people are bustling about and talking in terms of Christmas. In the course of the next few days, it is expected that the decorative street lights will again be placed across the streets to add to the gaiety of the occasion. However, a good snow storm will be required to complete the Yuletide.

TEACHERS IN FAVOUR OF MUSIC FESTIVAL AGAIN NEXT SPRING

Nine teachers from the Rosemary, Basano and Clonessau school met in Basano on Saturday last at a meeting of the Sub-local of the E.L.D. Alberta Teachers' Association.

Mr. B. Moore, president for the past term, occupied the chair, with Ralph L. Arison acting in his office as secretary.

Several discussions dealing with the truck meet, along with suggestions for improvements, were dealt with. During the business, a financial report of the music festival early this year was read, and the teachers voted in favor of holding another festival again next year. Last year's festival was reported to be successful in every department.

The election of officers for the ensuing term resulted as follows: Pres.—Floyd Wilcox, Rosemary Vice.—Pres.—Spencer Bas, Gen. Secretary.—Dorothy Shantz, Rosemary.

Press Correspondent.—Miss E. Plumer, Basano.

A meeting of the A.T.A. locals of the New Valley School Division and E.L.D. School Division will be held in Basano on Saturday next, with a view to co-operating efforts in the Music Festival, and working out a schedule of meetings, of which teachers get some real value of their professional work.

Mr. H. McLean, Production Superintendent of the Calgary Power Company had been a visitor to town during the month, and had looked at the make of the pump station. Upon his suggestion, soundings will be made when ice forms on the river to ascertain the amount of silt around the intake.

The auxiliary gas plant was operated during the month and found to be in good working order, as were the pumps at the pumping station.

Accounts payable for payment during the month were:

RENOUANCEMENT ANNOUNCED

Mr. and Mrs. H. Schen of Basano announce the engagement of their daughter, Mary Chastfield Berry, to Ralph Leroy Arison, of Basano. The wedding to take place on December 22nd, in Basano.

ROSEMARY NOTES

Mr. and Mrs. Arnold Champney and Mr. and Mrs. Clarence Orr from Orton were visitors in Rosemary Friday night.

The dance given by the Glenora Girls Friday night was well attended. The local orchestra supplied the music, and pie and ice cream were sold.

The work on the Marmion Church is going on with great speed. The carpenter is taking advantage of this grand weather and rushing the work.

The fifteen-year old daughter of Mr. and Mrs. Dave Franks passed away at home here Sunday evening.

After lots in Mrs. A. Storen have recently decorated their floor space this year, and have put into the erection of extra holiday counters, which are now being decorated.

At a party in the windows of both MacKay and Johnson's stores are decorated in city style in a very complete manner.

The merchants should be congratulated for the effort they make in decorating their premises at this time of the year, not to mention the regular displays shown.

The Hospital Board met at the hospital on Saturday, December 2nd for its regular monthly meeting.

Trustee Mr. Walters of Huscar was absent, being in attendance at the West Pool Convention in Calgary.

Accounts (a total of \$1,415.05) were passed for payment.

The Superintendent reported an exceptionally busy month during November, 49 patients having received treatment during that month. There were 24 surgical operations and three deaths, including one stillbirth that occurred in the hospital.

Five babies were born, three boys and 2 girls.

The Secretary reported that collections from patients was somewhat better than for the month of November last year, and that the total earnings for the month amounted to \$1,756.98 as compared with \$1,313.55 for the corresponding month last year. The Board agreed to enter into a system of co-operative buying of medical and surgical supplies which will be put into effect provided a sufficient number of the municipal hospitals in the Province will enter into the same system. This plan will effect a substantial saving in the cost of essential material to the hospitals.

APPLE COBBLER
Pare and quarter enough tart apples to fill a baking dish four fourths full. Cover with a rich baking powder dough made soft enough to stir, spread it over the apples with out rolling, make several cuts in the centre to allow the steam to escape. Bake for three quarters of an hour and serve hot with sugar and rich cream.
APPLE ICING
One cup of sugar, 1-2 of water, 1 tablespoon of cream of tartar; heat gradually and boil without stirring until the syrup will thread when dropped from a fork. Pour slowly over the well beaten white of 1 egg, beating constantly, and continue until thick enough to spread. All 3 tablespoons of grated apple, heat and spread on the cake.
APPLE SHERBET
Boil 1 quart of apples in 1 1/2 pints of water until soft. Mash through a sieve. Add the juice of 1 orange and 1 lemon. 1-2 lb. of sugar and 1 quart of water. Heat, well and freeze. When it becomes like slush, add the well beaten white of 1 egg and finish freezing.

The SNAPSHOT GUILD HOME PICTURE SHOWS

It's easy to take full-color shots and project them on a screen in large size for your friends. A small projector less than six inches tall can project screen pictures several feet wide.

HERE'S an interesting idea for presenting pictures—a home picture show, with your own shots projected on a screen in large size, so that the whole family or a group of friends can enjoy them together. Home movie makers, of course, have always used this method, but today it is also becoming popular for "still" shots, now that so many cameras are using the full-color film. It is returned to you as a group of individual full-color transparencies—ready for viewing directly, or for projection on a home screen. The scene above shows how these shots are projected. The only difference is that this illustration is printed in black-and-white, while the actual screen pictures are in full color—like the original subject. Several compact, inexpensive projectors for these full-color transparencies are now on the market. A color transparency is simply inserted in the projector—the lamp is switched on—and you get a screen picture up to several feet across! Naturally, this dramatic size adds to any shot, and helps bring out the fullest beauty of the colors.

growing stock. Here again, a small feeder may play an important part in reducing the feed costs. The wise stockman will make sure that potassium iodide in very small amounts is fed regularly to all of his live-stock.
The quarters where animals are housed should be given careful attention. Dryness is the first essential. With the abundance of straw available on the average farm, there is no excuse for animals not being able to rest in comfort. A little thoughtfulness in arranging straw in the important factor in animal comfort and if the animal is comfortable, the fast efficiency of the feed will be utilized in putting on weight. Much feed may be wasted in combating dampness and filth.
The economy of feeding consists in providing balanced rations fed regularly to comfortably housed livestock.

BUILDERS OF CANADA

Lord Selkirk
In 1803, Lord Selkirk, the coloniser, planned the first group of sturdy Scottish Crofters in Prince Edward Island. Later in 1811 and 1812 he brought out two larger parties of colonists and established them in the valleys of the Red and Assiniboine Rivers. Ft. Douglas, pictured above, was built by him in 1813 near the present site of Winnipeg, as their headquarters.

NATION BUILDING

JUST nineteen years after Selkirk and his Red River settlers built Ft. Douglas, this Bank first opened its doors. For over a century, it has served Canada in providing the "sinews of peace" that has helped make it possible for this new country to develop into one of the foremost nations of the world. Today, this century-old Bank is ready to co-operate with forward-looking business men and welcomes their inquiries.

Brighter Smiles Popular

How often you have heard "all the world loves a fat man" because most fat men are happy and smiling, and the world DOES LOVE A SMILE. And the brighter the smile, the greater the smile. Pretty, bright teeth add much to your smile.

BRIGHTEN TOOTH PASTE cleans even the hidden angles where decay danger lurks, because it is known for its safe fluorating process. Use BRIGHTEN regularly to make your smile more popular.
